

AgentScore - Competitor Research

Version: 1.0 | Last Updated: January 2026

Executive Summary

AgentScore enters a market with established global players (Zillow, RateMyAgent) but **no dominant player in Cyprus**. This represents a significant opportunity to become the go-to platform for real estate agent reviews in Cyprus and potentially expand to other underserved European markets.

1. Competitive Landscape Overview

Market Categories

Category	Players	AgentScore Position
Global Review Platforms	Trustpilot, Google Reviews	Aggregation source
Real Estate Portals	Zillow, Realtor.com	US-focused, not competitors
Agent Review Specialists	RateMyAgent, RankMyAgent	Direct competitors (different markets)
Local Classifieds	Bazaraki, Home.cy	Listing focus, no reviews

2. Direct Competitors

2.1 RateMyAgent

- Mortgage services
- Zillow Offers (iBuying - discontinued)

Key Features:

Feature	Description
Agent Directory	Searchable by location
Review System	Client reviews (less strict verification)
Premier Agent	Paid placement program
Zestimate	Property valuation tool

Strengths:

-  Massive traffic and brand recognition
-  Comprehensive property data
-  Integrated mortgage services
-  Mobile app dominance

Weaknesses:

-  US-only
-  Review manipulation concerns (Reddit complaints)
-  Pay-to-play model favors big spenders

- ❌ Agent reviews secondary to listings

Pricing:

- Premier Agent: \$300-1,000+/month per ZIP code
 - Varies dramatically by market
-

2.4 Realtor.com 🇺🇸

Website: realtor.com

Overview:

- Official site of National Association of Realtors

Transaction Data	Historical performance
Speed Metrics	Days to sell, price accuracy
Free Service	For consumers

Strengths:

-  Data-driven recommendations
-  Free for consumers
-  Performance-based ranking
-  Simple user experience

Weaknesses:

-  US-only
-  High referral fees for agents
-  Limited agent selection in smaller markets

3. Local Market Analysis (Cyprus)

Current Landscape

Platform	Type	Reviews?	Agent Profiles?
Bazaraki.com	Classifieds		Basic only
Home.cy	Listings		Basic only
Cyprus-property.com	Portal		Agency pages
Google Maps	Reviews	 (scattered)	Via business listing
Facebook	Reviews	 (scattered)	Via business pages

Key Finding: No Dedicated Agent Review Platform in Cyprus

This is a significant market gap. Property seekers currently must:

1. Search Google for agency name + "reviews"
2. Check multiple platforms (Google, Facebook, TripAdvisor)
3. Rely on word-of-mouth
4. Trust agency marketing claims

4. Competitive Positioning

AgentScore's Unique Value Proposition

"The only dedicated real estate agent review platform built for Cyprus and the Mediterranean"

Positioning Matrix

Competitive Advantages

Advantage	Description
Local Focus	Cyprus-specific, understanding local market
Aggregation	Pulls reviews from Google, Facebook into one place
Language	English + Greek support
Expat-Friendly	Tags and filters for international clients
No Incumbents	First mover in Cyprus market
Low Competition	No direct competitor in region

5. Feature Comparison

6. Pricing Comparison

Platform	Free Tier	Premium	Enterprise
AgentScore	Full features (MVP)	Planned: €29/mo	Planned: €99/mo
RateMyAgent	Basic profile	~\$50-150/mo	Custom
RankMyAgent	Full profile	Undisclosed	Custom
Zillow	Basic listing	\$300-1000+/mo	N/A

Pricing Strategy Recommendation

Phase 1 (MVP): Free for all **Phase 2:** Introduce premium at competitive price point

- Premium Agent: €29/month
- Featured Listing: €99/month
- Enterprise (Brokerages): €199/month

7. SWOT Analysis

Strengths

-  First mover in Cyprus market
-  Review aggregation (unique feature)
-  Local market expertise
-  Lean operation, fast iteration
-  Expat-friendly positioning

Weaknesses

-  No brand recognition yet
-  Limited initial review volume
-  Small team/resources
-  No mobile app (initially)

Opportunities

-  No competitor in Cyprus
-  Growing expat population
-  Agencies seeking differentiation
-  Expansion to Greece, Malta, etc.
-  SEO opportunity ("real estate agents cyprus reviews")

Threats

-  RateMyAgent could expand to Cyprus
-  Google enhancing its review features
-  Agencies refusing to participate

- ⚡ Fake review concerns
 - ⚡ Economic downturn affecting real estate
-

8. Competitive Response Scenarios

Scenario 1: RateMyAgent Enters Cyprus

Likelihood: Low-Medium (2-3 years) **Response:**

- Double down on local expertise
- Emphasize Greek language support
- Build agency relationships before entry
- Highlight review aggregation (they don't do this)

Scenario 2: Local Competitor Emerges

Likelihood: Medium (1-2 years) **Response:**

- First mover advantage is key
- Build review volume quickly
- Secure top agency partnerships
- SEO dominance before competition

Scenario 3: Agencies Create Own Platform

Likelihood: Low **Response:**

- Position as independent/unbiased
 - Consumer trust in third-party reviews
 - Continue aggregating their existing reviews
-

9. Key Takeaways

Market Opportunity

1. **No direct competitor in Cyprus** — clear first-mover opportunity
2. **Fragmented review landscape** — aggregation is valuable
3. **Growing expat market** — English-language platform needed

Competitive Advantages to Leverage

1. Local focus and expertise
2. Review aggregation feature
3. Expat-friendly positioning
4. Speed to market

Risks to Mitigate

1. Build review volume quickly (critical mass)
 2. Establish agency relationships early
 3. Invest in SEO before competitors arrive
 4. Plan for potential RateMyAgent expansion
-

10. Competitor Monitoring

Metrics to Track Monthly

Metric	Source
